A SURE CURE FOR CANCERS. MY Wife, having labored under one on her breast for some time, and having tried different treatment, I concluded to undertake it myself, and in less than three months I effected a complete cure; although she had been given up by her friends as being beyond the reach of any cure, she has for the last year enjoyed better health than she had for many years previous, and has since given birth to a fine child, which she nurses herself. I have also treated several other cases, and have met with the same treated several other cases, and have met with the same

My treatment is not the using of the Kol'e, or Caustic, or Mercury, but it is purely Vegetable. I also profess to cure other diseases, such as Female Diseases and Ulcers, Screfula, Piles, and all diseases originating in like manner. All I ask of persons afflicted with any of the above named diseases, is to give me a trial. Where there is no cure thre shall be no charge. Further information can be obained by calling on me, or by letter, at No. 127 North Mark ket street.
